

Clothing and Jewelry Guidelines

We fully dress the deceased to preserve their dignity and help them look as they would in life. As a general rule, the clothing is not returned to the family, however jewelry and other items that are displayed in the casket can either be returned or left with the deceased.

You may bring the clothing with you to the arrangement conference or bring it to the funeral home later. However, we do prefer the clothing by 12 noon at least one day before the visitation. If you have any questions please call us at 301-349-2135.

Clothing for the deceased should include the following:

- ❖ Long sleeves and high neckline
- ❖ Undergarments- including underwear, socks, t-shirts, bra, stockings, etc. as appropriate
- ❖ Shoes (optional)
- ❖ Glasses, dentures, hat or hairpiece (if normally worn)
- ❖ Jewelry, a rosary or any other items to be placed in the casket
- ❖ A recent photo (doesn't have to be posed) to be used for hair and make-up

All items (clothing, jewelry, etc.) will be inventoried by a Hilton Funeral Home staff person when you bring them in. We will ask you to sign the inventory list before you leave to ensure we have itemized all the pieces.
